### In-Scope Supervisor Training

We'd like to thank all participants of I.B.E.W. Local 2067 for attending Industrial Supervisor Training sessions facilitated by Don Beahm / D.B. Safety Solutions Inc.

These training sessions were conducted in September, October and November in numerous locations throughout the province. Business Manager Brother William Campbell, and Assistant Business Managers also attended these sessions, and found them to be very informative and productive.

At this time, there are no additional sessions scheduled, but these may be booked in the new year.

Thank you to Don Beahm for his knowledge and expertise.
