40th I.B.E.W. International Convention Notice

The 40th regular Convention of the International Brotherhood of Electrical Workers is scheduled to convene in 2021.

Nominations will be held in accordance with Article 2, Section 10 of the IBEW Constitution and Art VII, Section 2 of the Local Union 2067 Bylaws.

Nominations will take place at all monthly Unit meetings held in March 2021.

Article II, Section 10 of the I.B.E.W. Constitution: "No member shall be nominated as a delegate or alternate unless he is present or signifies his willingness in writing, nor shall he be eligible to be a delegate or an alternate unless in continuous good standing in his L.U. at least twenty-four (24) months immediately prior to nomination, providing his L.U. has been in existence for that long."

Delegates and alternates will be elected in April 2021 in accordance with the provisions of Article III, Section 4 of Local Union 2067 Bylaws.

The Business Manager and President, by virtue of the respective offices, are delegates to the International Convention. As the elected President is not longer active in this roll, this provides the membership one more nomination opportunity.

Note: The number of delegates which our Local will be entitled will be determined by our per capita report covering the month of May 2021.
