Electrical Injury Day of Recognition

Greetings Brothers and Sisters:

The aftereffects from injuries caused by electrical shock have not been studied for far too long. That is why October 6, 2022, has been selected as the electrical injury day of recognition to raise awareness of the long-term consequences of electrical shock exposure.

Please see the correspondence attached from International Vice President, First District – Brother Russ Shewchuk.

In solidarity,

I.B.E.W. Local 2067 Business Office
