Update – Net Zero

On the morning of Friday May 19, 2023, Mayor Roy Ludwig hosted a meeting at Estevan City Hall for a delegation from the Government of Saskatchewan. This delegation consisted of:

1. Honorable Scott Moe - Premier of Saskatchewan
2. Honorable Don Morgan - Minister of Crown Investment Corporation, Labour Relations, and Workplace Safety
3. Honorable Lori C - Minister of SaskBuilds and Procurement and MLA for Estevan

I.B.E.W. Local 2067 attended this meeting and was represented by Brother William Campbell - Business Manager & Financial Secretary and Brother Keith Madu - Assistant Business Manager.

Premier Scott Moe delivered the Saskatchewan's Plan for Net Zero by 2050 to the attending audience.

Business Manager William Campbell asked how this Net Zero by 2050 plan will support jobs and training for the I.B.E.W. Local 2067 workforce moving forward. Premiere Scott Moe acknowledges the importance of I.B.E.W. Local 2067 workforce in both Power Production, Transmission and Distribution, and the Coal miners to keep the lights on in this province.

However, I.B.E.W. Local 2067 was not able to get a commitment to maintain or operate any SMR facilities. I.B.E.W. Local remains optimistic it will be the service provider for these units.

If you have any questions regarding this, please do not hesitate to reach out to the Business Office.
