Newsletter #39 / July 26, 2023

Dear Brothers and Sisters,

At the end of my term in office as Business Manager & Financial Secretary of I.B.E.W. Local 2067, I would like to extend a sincere thank you to everyone whose path I crossed either directly or indirectly.

It has been both a pleasure and an honor to serve you in this roll, and many others over my 50 plus years with SaskPower.

I wish you all the best in your careers and personal lives, and whichever path you choose, remember this:

Life is a journey not a destination

Fraternally yours,

Brother William P Campbell
