Members Holding Office

January 16, 2024

Greetings:

In our efforts to update our information, we are asking Local Unions to provide our office with a list of IBEW members in your Local Union that currently hold an appointed or elected position in public office or that sits as a member of a Board of Directors for a public agency. With several recent elections taking place, this is an opportune time for us to update our list. This includes members who sit as a school board trustee, town/city councilor, as well as those serving at the provincial or federal level, or any other publicly held office.

The information collected will be used to track and promote our members who currently hold office.

Once identified, please upload the members information into the following Google Form, or send the following information to the First District office (IVPD_01@ibew.org):

- Local Union number
- Members first and last name
- Year elected
- Office/Position held
- Level of government or board position (municipal, regional, provincial, federal)
- Area of representation
- Contact information (office phone number and email address)

I am asking each Local Union to provide the First District Office the above information no later than Friday, February 23, 2024.

We appreciate your assistance in this matter.

In solidarity,
Russ Shewchuk
International Vice President
