International Dues Increase – July 1, 2025

Dear Brothers and Sisters,

As per the Delegates of the 40th International Convention of the International Brotherhood of Electrical Workers, which was conducted in Chicago, Illinois, during the week of May 9 through the 13, 2022, there were several amendments to Article IX of the I.B.E.W. Constitution. Accordingly, effective July 1, 2025, there will be an increase of one dollar (\$1.00) per member, per month.

Please note, this increase is at the International level, not the Local. This additional amount is to the Per Capita portion of your dues, and is forwarded to the International offices in Washington, DC.

Per Capita refers to a fee or tax levied on each member of the union, typically used to fund the International Office's operations.

Should you have any questions, please contact the Business Office.

In solidarity,
